

## Love Like You Mean It 2025 May Update

Spring is here and it's time for your May update. See below for some important info about the 2025 LLYMI cruise, or for more detail, [watch Tim's video HERE.](#)

If you haven't heard, our referral program has been extended to May 31st - with DOUBLE the credit to you when your friend or family reserves their stateroom. For every cabin booked using your referral code during the month of May, you will receive a \$400 credit on your cabin!

Don't forget our new [Cruise Diaries Video Series](#) with a new episode releasing each week. That is a fun way to help you learn about the LLYMI experience. This week's release was especially helpful!

Heads up on two things:

- Love Like You Mean It's Got Talent contest is coming to our 2025 cruise.
  - You can compete as an individual or a couple.
  - Your talent has to be something that can be performed on a cruise ship (In case you make it to the finals).
  - The grand prize will be a free stateroom on the 2026 cruise.
  - Audition videos will be due this fall - a date to be set soon.
  - The top performances from the audition tapes will compete LIVE on the ship.
  - Begin thinking/rehearsing now. It's time to show off that talent.
  - Blooper auditions will be welcome and may find air time...:o)

- Limited Reservation System for shows coming in 2025:
  - Cruise ships have limited space. So we are identifying shows we believe everyone will want the opportunity to see and scheduling enough performance times for everyone to have an opportunity to attend at least once.
  - You will have an opportunity to reserve those shows ahead of time.
  - You won't be able to reserve everything - There will be a limited number of shows to reserve.
  - Details will be coming this summer.

As a reminder - there will be LOTS of ways to experience the biblical content and entertainment on the ship. Live, Livestream, and On Demand Video.

We have our first speakers to officially announce. Ron & Nan Deal will be joining us as main session speakers.

If you missed our April update, you can go back and watch all of this year's newsletter videos [HERE](#).

We will have more for you next month.

Sail on,
